

U.S. DEPARTMENT OF COMMERCE
CHARTER OF THE
TRANSPORTATION AND RELATED EQUIPMENT
TECHNICAL ADVISORY COMMITTEE

1. Committee's Official Designation (Title): Transportation and Related Equipment Technical Advisory Committee (Committee).

2. Authority: This charter is hereby renewed and revised, consistent with Section 1754 of the Export Controls Act of 2018 (the Act) (Pub. L. 115-232, 132 Stat. 1636) and the provisions of the Federal Advisory Committee Act (FACA) (5 U.S.C. App.), as amended. The Assistant Secretary for Export Administration, Bureau of Industry and Security (BIS), made the following determinations necessary for the continuation of the work of the Committee:

- Representatives of a substantial segment of the space systems, transportation and related equipment industry have requested the appointment of this technical advisory committee.
- Articles, materials, and supplies in the space systems, transportation and related equipment area that may serve as elements in the development of nuclear, missile, chemical, and biological weapons, including technical data and other information, are difficult to evaluate because of questions concerning technical matters, worldwide availability, actual use of the products and technology, and licensing procedures.

Consistent with Section 14 of FACA, the Committee has recommended that the charter be renewed. The Committee was initially chartered in 1985 under the authority of the Export Administration Act of 1979 (EAA) (50 U.S.C. 4601 et seq.), as amended. The Committee has advised the Department under renewed charters since that time, consistent with the authorities set forth in the EAA.¹

3. Objectives and Scope of Activities: The objectives of the Committee are to advise and assist the Secretary of Commerce and other Federal agencies and officials with respect to actions designed to carry out the policy set forth in Section 1752 of the Act. The Committee will be consulted where a recognized need of the Department of Commerce exists with respect to questions involving: (1) technical specifications and policy relating to those matters that are of concern to the Department; (2) worldwide availability of products and systems, including the quantity, quality, and use of production technology; (3) licensing procedures that affect the level of export controls applicable to aerospace, marine and land transportation systems and associated

¹ From August 21, 1994 through November 12, 2000, the EAA Act was in lapse. During that period the President, through Executive Order 12924, which had been extended by successive Presidential Notices, the last of which was August 3, 2000, (3 C.F.R., 2000 Comp. 397 (2001)), continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701-1706 (2012)) ("IEEPA"). On November 13, 2000 the EAA was reauthorized and it remained in effect through August 20, 2001. Beginning August 21, 2001, the EAA was in lapse and the President, through Executive Order 13222, of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which was extended by successive Presidential Notices, the most recent being that of the August 8, 2018 (83 Fed. Reg. 39871 (published on Aug. 13, 2018)), continued the Regulations in effect under IEEPA. The procedures and criteria for the establishment and operation of Technical Advisory Committees under the EAA are laid out in Supplement No. 2 to 15 C.F.R. Part 730.

equipment and technology; (4) revisions of the Commerce Control List, including proposed revisions of controls in which the United States participates; (5) the issuance of regulations; and (6) any other questions relating to actions designed to carry out the policy set forth in Section 1752 of the Act. The Committee shall also focus on the identification of emerging transportation related technologies with potential dual-use applications both within the United States and abroad. In this respect, the Committee will be forward leaning focusing on the current use of such technologies and projecting their likely effects five to ten years in the future for national security, the U.S. defense industrial base, and the overall health and competitiveness of the U.S. economy. In doing so, the Committee may, in coordination with the Designated Federal Officer, work with the Emerging Technology Technical Advisory Committee.

4. Description of Duties: The committee functions solely as an advisory body in accordance with the provisions of the FACA. Operations of the Committee will be overseen by the Assistant Secretary for Export Administration. The Committee will provide advice to the Department with respect to matters listed above in Section 3. The Committee will submit semi-annual reports for approval by the Assistant Secretary for Export Administration in consultation with the Under Secretary of Commerce for Industry and Security. The reports will provide an assessment of key export control concerns/trends in the transportation sector. The Committee will also provide its assessment of emerging dual-use technologies in its area of focus and provide a forward looking projection of potential military and civilian uses of such technologies. The Chairperson will submit an annual report and an annual plan to the Department. The report will include a summary of the efforts of the Committee during the year and any recommendations agreed on by the Committee.

5. Agency or Official to Whom the Committee Reports: The Committee reports to the Assistant Secretary for Export Administration, BIS, Department of Commerce.

6. Support: The Office of Technology Evaluation, BIS, provides administrative support services for the Committee.

7. Estimated Annual Operating Costs and Staff Years: The estimated annual operating cost of the Committee is \$42,119, which includes an estimated 0.3 person-year of staff support. Industry members will not be compensated for their services, nor will they be reimbursed for travel, subsistence, and other expenses incurred by them in connection with their duties as members of the Committee.

8. Designated Federal Officer (DFO): The Assistant Secretary for Export Administration, in consultation with the Under Secretary of Commerce for Industry and Security, will designate a full-time or permanent part-time employee of BIS to serve as the DFO for the committee in accordance with agency procedures. The DFO will approve or call all of the committee and subcommittee meetings, prepare and approve all meeting agendas, attend all committee and subcommittee meetings, adjourn any meetings when the DFO determines adjournment to be in the public interest, and chair committee meetings when directed to do so by the Assistant Secretary for Export Administration.

9. Estimated Number and Frequency of Meetings: The committee meets quarterly at the call of the Chairperson, unless the Chairperson determines, in consultation with other members of the committee, that such a meeting is not necessary to achieve the purposes of the Act. Meetings and work of the Committee shall be consistent with the provisions of FACA.

10. Duration: Continuing

11. Termination: This charter will terminate two years from the date of its filing with the appropriate U.S. Senate and House of Representatives oversight committees unless terminated or renewed by proper authority.

12. Membership and Designation: All members are appointed by and serve at the pleasure of the Secretary. Membership shall not exceed 50 members. Non-government members are engineers, scientists, academics, or other qualified persons from a representative cross-section of the Committee's area of focus as well as export control technicians. To help ensure committee membership represents a range and balance of views, the Department will periodically solicit nominations for membership through various means, such as a Federal Register Notice, the BIS website, and/or outreach to industry associations, as well as academic, research, and development institutions. The length of a member's term shall be two years. A member may be reappointed for additional terms except that, consistent with Supplement No. 2 to 15 C.F.R. Part 730, the industry members shall not serve on the Committee for more than four consecutive years. Members who do not attend four consecutive Committee meetings will have their membership terminated.

The Committee shall elect a chairperson. The Secretary of Commerce and/or the Under Secretary of Commerce for Industry and Security may recommend candidates for Chairperson for the Committee's non-exclusive consideration. It is desired that the Chairperson serve only a two-year term. However, the Chairperson may be re-elected as Chairperson, subject to continuation of the Committee.

Non-federal members serve in a representative capacity and not as special government employees. Federal members serve as regular government employees.

All members must be able to qualify for a Secret security clearance or a security clearance at a level sufficient to perform their work on the committee.

Members shall not reference or otherwise utilize their membership on the Committee in connection with public statements made in their personal capacities without a disclaimer that the views expressed are their own and do not represent the views of the Committee or the Department.

13. Subcommittees: The Assistant Secretary for Export Administration, in consultation with the Under Secretary of Commerce for Industry and Security, may establish such subcommittees from among committee members as may be necessary, subject to the provisions of FACA, the FACA implementing regulations and applicable Department of Commerce guidance. Any subcommittees established must report back to the parent committee and must not provide advice

and work products directly to the agency. Subcommittee members must be approved by the Assistant Secretary for Export Administration.

14. Recordkeeping. The records of the committee, formally or informally, shall be handled in accordance with General Records Schedule 6.2 or other approved agency records disposition schedule. These records shall be available for public inspection and copying, subject to the Freedom of Information Act, 5 U.S.C. § 552.
