

Commodity Classification Information

This table is comprised of information received from companies that have requested the Commodity Classification information available on their companies' websites, and/or their companies' export control points of contact, be accessible via the BIS website.

Please be advised that any company information posted to this webpage is for informational purposes only. BIS has not validated and is not responsible for the accuracy of the classification information, and inclusion on this webpage does not denote BIS endorsement of any company, its employees, or its products or services.

Company Name	Description of Products/Services	Commodity Classification Information Website Address	Export Control Point of Contact
3Com Corporation	Global converged network infrastructure supplier		Steven Fuller Email: 3Com_Classification@3com.com
Altera Corporation	Programmable Logic Solutions, Reprogrammable Solutions, FPGAs, CPLDs, HardCopy-ASICs		Jeff Hopkins Email: opexp_imp@altera.com
AmpliTech, Inc.	Manufacturer of microwave amplifiers, low noise, SATCOM, space/flight qualified, cryogenic	http://www.amplitechinc.com	Carol Klemm Telephone: (631) 521-7831 Email: cklemm@amplitechinc.com

Analog Devices, Inc.	Manufactures and markets analog, mixed-signal and digital signal processing (DSP) integrated circuits (IC) used in industrial, communication, computer and consumer applications.	http://www.analog.com/en/content/Export_Classification_Information/fca.html	Email: ExportComplianceDepartment@analog.com
Apple, Inc.	Computers and computer accessories, iPhones, iPods, Software	http://www.apple.com/legal/export.html	Primary: Christine Brinkerhoff Email: brinkerhoff@apple.com Secondary: Ann Kneissl Email: akneissl@apple.com Back up: Maricela Coronel Email: mcoronel@apple.com
Aspect Medical Systems, Inc.	Anesthesia monitoring system	http://www.aspectms.com/	Cidalia Bernardes Email: cbernardes@aspectms.com
Avaya Inc.	Telecommunication products for enterprise communication systems		Avaya Global Trade Compliance Email: agtc@avaya.com
Avtech Corporation	Design and manufacture of aviation electronic products – power/lighting/control, audio systems	www.avtcorp.com	Beverly Rechhoff Email: rechhoff@avtcorp.com

Bayer Corporation	Chemicals, polymers, medicines, medical devices, and pesticides		Steve Johnsen Telephone: (412) 777-5616 Email: steve.johnsen.b@bayer.com
Cisco	Products and solutions in routing and switching, as well as in advanced technologies such as application networking, data center, digital media, IPICS, mobility, security, storage networking, TelePresence, unified communications, video and virtualization	http://tools.cisco.com/legal/export/pepd/Search.do	Export inquires should be directed to: export@cisco.com HTS inquires should be directed to: global-classification@external.cisco.com Country of origin inquires should be directed to: customs-uscan@cisco.com
Cirrus Logic Inc.	Manufacturer of high-precision analog and mixed-signal and embedded processors for audio and industrial markets	www.cirrus.com	Bob Beaman Telephone: (512) 851-4323 Email: tradecomp@cirrus.com
Eckart America Corp	Effect pigments		Hyrum Horn Telephone: (502) 775-4865 Email: hyrum.horn@insightbb.com
Electronics for Imaging	Digital print hardware, software and consumables		Rana Jones Telephone: (650) 357-4144 Email: Rana.Jones@efi.com

FCI USA, Inc.	Electronic components, motor vehicle components, electrical components, microconnection components		Janet Wallett Telephone: (717) 938-7160 Email: Janet.wallett@fci.com
Fortinet, Inc.	Network security “UTM” products/services	https://partners.fortinet.com (for access to full classification matrix available to certified Fortinet Partners) http://www.fortinet.com/company/global_trade_compliance.html (for single inquiries)	Email: trade@fortinet.com
Freescale Semiconductor Inc.	Semiconductors and related software, development tools and reference designs		Freescale Global Trade Compliance Email: iecgrp1@freescale.com
Fusion UV Systems, Inc.	Manufacturer of industrial UV curing systems, using microwave power to generate intense UV light from electrode-less bulbs	http://www.fusionuv.com/Export.aspx	Beth Shattuck-Clark Telephone: (301) 527-2660 ext. 8518 Email: eshattuckclark@fusionuv.com
Hitachi America	Electronics, industrial equipment, information technology		Primary: Barry Stark Email: barry.stark@hal.hitachi.com Secondary: Doug Turnbull Email: doug.turnbell@hal.hitachi.com

Ion Geophysical	Provider of geophysical technology, services, and solutions for the global oil and gas industry		Stephanie C. Hart Telephone: (504) 733-6061 ext. 3440 Fax: (504) 734-9956
Jeen International Corporation	Specialty chemicals and fine ingredients to the cosmetic and personal care markets		Deborah A. Starr Telephone: (973) 439-1401 Email: dstarr@jeen.com
LeCroy Corporation	Digital Oscilloscopes - Test and Measurement Instruments and their accessories - Protocol Analyzers	www.lecroy.com	Martina Rogan Telephone: (845) 578-6011 Fax: (845) 578-5985 Email: martina.rogan@lecroy.com
LND, Inc.	Manufacturer of nuclear radiation detectors	http://lndinc.com/faq	Stephen C. Davies Telephone: (516) 678-6141 Email: sdavies@lndinc.com
Lord Corporation	Anti-vibration components/adhesives-coatings		Shelley Vybiral Email: gtc@lord.com
Maxim Integrated Products, Inc.	Semiconductor manufacturing	http://www.maxim-ic.com/company/policy/trade_compliance/	Judy Davis Telephone: (972) 371-6906 Email: judy.davis@maxim-ic.com
McAfee, Inc.	Antivirus and security products and services	http://www.mcafee.com/us/about/export_compliance/index.html	Email: export@Mcafee.com

National Instruments Corporation	Computer-based data acquisition equipment	http://www.ni.com/legal/export-compliance.htm	Telephone: (512) 683-6010 Email: trade.compliance@ni.com
NEPI	Over The Counter pharmaceutical products	www.nepintl.com	Eytan Dzikowski Telephone: (845) 548-4029 Email: eytan@nepi-usa.com
NetApp, Inc.	Computer storage and data management solutions	http://www.netapp.com/us/	Email: gtc@netapp.com
Nortel Networks	Telecommunications products and services	https://nortel.tradeprism.com/nortel_search.cfm?action=search	export01@nortel.com
Novell	Operating systems/ enterprise network infrastructure software	http://www.novell.com/apps/company/legal/export/export_list.jsp	Shawn Wheatfill Email: swheatfill@novell.com
Owen Oil Tools	Oil/gas well perforating and recovery explosives products	http://www.ocsresponds.com/ref/ref-export.htm and http://www.ocsresponds.com/ref/ref-export.htm#CCATS	Jeana Mallard Email: jeana.mallard@corelab.com
Pacific Cast Technologies, Inc. (a division of Ladish Co.)	Manufacture of titanium investment castings		Tracy Pugh Telephone: (541) 967-4850 Email: tpugh@paccast.com
Pelco	Manufacturer and seller of video security systems	http://www.pelco.com/shipping/nafta.aspx	Jennifer Inabnit Telephone: (559) 388-4429 Email: jinabnit@pelco.com

Plantronics Inc.	Headsets, Unified Communications and Telecommunications Hardware		<p>Primary: Elizabeth Forrest Telephone: (831) 458-7917 Email: Elizabeth.forrest@plantronics.com</p> <p>Secondary: Steve Bonar Telephone: (831) 458-7089 Email: Steve.bonar@plantronics.com</p>
Poco Graphite, Inc. (an Entegris Company)	Bulk and machined articles from artificial graphite		<p>Gary Bowman Email: Gary_Bowman@Entegris.com</p>
Research Concepts, Inc.	Satellite antenna controllers		<p>Kristy Luka Email: kluka@researchconcepts.com</p>
Research In Motion Limited (RIM)	Designer, manufacturer and marketer of innovative wireless solutions for the worldwide mobile communications market, including BlackBerry Smartphones	http://na.blackberry.com/eng/legal/ECCN_statement.pdf	InboxExportControls@rim.com
Rockwell Collins	Communication and avionic electronics		classification@rockwellcollins.com
Separation Systems	Gas chromatography analytical products manufacturing		<p>Adela Fernandez Email: AFernandez@SeparationSystems.com</p>

SKF USA Inc.	A knowledge engineering company - supplier of rotating equipment products, services and solutions. Major product lines include bearings and bearing units, bearing seals, lubrication and condition monitoring devices, systems, linear motion products, bearing maintenance products, magnetic bearings, machine tool spindles and mechatronic products.	www.skf.com	Scott Anderson Telephone: (267) 436-6769 Email: Scott.anderson@skf.com
Southwest Microwave Inc.	Perimeter security systems	http://www.southwestmicrowave.com	Barbara Kennedy Telephone: (480) 783-0201 Email: barbarak@southwestmicrowave.com
Sun Microsystems, Inc.	Computer systems, microprocessors, software, storage and services	Parts ECCN Query Tool: http://www.sun.com/sales/its/parts/ Hardware Commodity Control List Comparison : http://www.sun.com/sales/its/hardware/CCLC.html Software ECCN Matrix: http://www.sun.com/sales/its/software/software.html	For general export questions: export@sun.com For ECCN questions: export_eccn@sun.com

Syris Scientific	Visual enhancement products used in medical dermatology field primarily for vascular laser and sclerotherapy procedures	www.syrisscientific.com	Pam Wilkinson Telephone: (207) 657-7050 Email: pwilkinson@syrisscientific.com
Texas Instruments Inc.	Semiconductor manufacturing	http://www.ti.com (Search by specific TI part number for product data sheets and other technical information)	Texas Instruments Global Trade Compliance (GTC) Telephone: (214) 567-5679 Email: gtc-dallas@list.ti.com
Texascoolvest LLC	Personal cooling vests and garments	http://www.texascoolvest.com	Telephone: (713) 952-1997 Email: info@texascoolvest.com
Unisys Corporation	Provider of information technology services, products, and solutions	http://www.unisys.com/unisys/	Primary: Charles Santangelo Email: Charles.Santangelo@Unisys.com Secondary: Karen Christie Email: Karen.Christie@Unisys.com
VECTRON INTERNATIONAL, Inc.	Crystal based frequency control products such as crystals, oscillators, filters, timing modules, sensor products	www.vectron.com	Ram J. Arvikar Telephone: (603) 577-6860 Email: rarvikar@vectron.com

West Power Solutions (WPS), Inc.	Sales and services for emergency power generators and renewable energy, electrical contracting, small-medium motor equipment services, engineering consultant and permit agent for green technologies		Miriam C. Laracuate Telephone: (787) 868-5730 Email: lara@westpowersolutions.com
